INVITATION

The conference sessions at the Islands Agriculture Show provides producers the opportunity to get the latest information on research, farming practices and market opportunities from some of the industry's most knowledgeable experts.

The 2026 Conference will include sessions on the following topics:

- Soil Health
- Agritourism
- Kidding and Lambing
- Seed Production
- Cover Cropping
- Understanding Watersheds
- Navigating Grants
- The Role of Food Hubs
- Climate Change
- Flood and Drought Risk
- Preparing your Farm for Emergencies
- Alternative Crops
- Keeping Agriculture on the Agenda
- Demystifying Organic Regulations

If you have any questions, contact Shari Paterson
